

“Parish Building has taught me what it means to be a true disciple for the Lord.”

## Two-Way Impact

Simply put, Parish Building is all about a passion for the Lord Jesus and the local congregation. It's team-centered, participatory servant-leadership with lots of opportunities to grow, share, teach, and pray. It is not talking about ministry, it is hands on experience and seeing the fruit in real time with our Christian brothers and sisters.

Who are Parish Builders? They are adults - single, married, or of retirement age, preferably graduates of AFLBS who have served on a summer team, volunteering any amount of time assisting the Pastor of a Home Missions congregation or Gathering. They assist in areas like teaching, visitation, canvassing, working with youth, special outreach events...wherever there is a need! They support the pastor and his family, and encourage the congregation members to become more vitally involved and assume leadership.

What is powerful is seeing the alumni of Parish Building, continuing to seek the Lord's direction and many of them are pursuing opportunities which will allow them to continue serving the Lord.

## Parish Building through the Church Planting Lens

Apostle Paul wrote, "Let no one look down on your youthfulness ... show yourself an example of those who believe." 1 Timothy 4:12. We have witnessed the impact of our Parish Building men and women who are committed to serving the Lord Jesus. Their support and assistance to our pastors and his family is invaluable. Youth and children within our churches build life changing relationships with these young men and women who care for them and model a godly life.

There are places across the United States for Parish Builder's to serve

Our Parish Builders share how God uses this amazing opportunity to develop their unique talents to serve Him and grow them in their faith. Lifelong friendships grow and develop with pastors and church members as they experience life within the body of Christ.

Parish Builders come from our local congregations where they were nurtured in their faith and return to serve our AFLC congregations. Many of our Parish Builders have gone on to serve the Lord full-time as pastors or missionaries.

God is using these young men and women to build His kingdom.

We currently have 11 Parish Builders serving across the US. We have other Home Mission congregations requesting Parish Builders. The need is great!

Parish Building training in Springfield, MO

## You Making the Difference

### Prayer

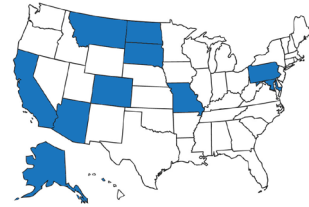

The greatest gift to our AFLC Home Mission family is your prayer support. You can stay up to date with current requests by following us on Facebook or signing up for the Knee Mail.

### Financial Support

Your gifts to AFLC Home Missions fuel the work and make it possible. Donations can easily be made on our website and by sending a check to the office. Please continue to stay in touch and allow us to answer any questions as we partner together!
