SUPPORT HOME MISSIONS

Because 'free, living,
Lutheran' mission thrives
when God's people give.

What your giving makes possible

- Grants for church planters, giving them resources to build Christ-centered communities.
- Coaching and training to help planters navigate spiritual, theological, and practical challenges.
- Spring and Fall Renewal Conferences to teach and equip pastors and lay leaders.
- Support for the Alaska Ministries, which bring Christ to remote communities ravaged by darkness.
- Enabling our ministry staff to plan, lead, and serve congregations across the AFLC.

We are living in a moment of surprising spiritual openness in America. The fields in America are ripe, the soil is being prepared, and the harvest is upon us.

AFLC Home Missions exists to plant new congregations, strengthen existing ones, and equip pastors and leaders to evangelize, disciple, and shepherd God's people.

None of this mission happens in isolation. Your partnership and giving make it possible. When you give, you are not simply writing a check. You are joining a movement. You are sending the Gospel. You are empowering pastors to shepherd well, equipping leaders to serve faithfully, and strengthening congregations to shine Christ's light in their communities.

The door for effective ministry is open, and opportunities are plentiful. Join us. Give generously, pray faithfully, and partner with Home Missions to see God's kingdom grow. Together, we can plant churches, renew congregations, and equip leaders so that the Good News of Jesus Christ continues to transform lives across our nation.
